

# Estate planning at your fingertips

Our enhanced website gives you the option to complete estate planning documents online in as little as 15 minutes

**70%**

of Americans do not have a will, the most basic estate planning document you need to protect your assets and your family.<sup>1</sup>

Most of us know we need important estate planning documents like wills, advance directives and powers of attorney, but finding the time to complete these documents can be a challenge. Through our new digital estate planning solution we make it easy for you to complete the estate planning documents you need to designate your wishes for healthcare, as well as protect your family and assets quickly and easily from the comfort of your home.

With our digital estate planning solution you can create:

- **Last Will and Testament** – Leave property to loved ones and choose guardians for minor children.
- **Advance Directive** – Plan for a medical emergency and select medical care preferences.
- **Durable Financial Power of Attorney** – Choose someone to manage finances in case of an emergency.

## How does it work?

Our digital estate planning solution is available to all enrolled legal plan members at [members.legalplans.com](https://members.legalplans.com).

## To get started:

1. Choose wills from the coverage options, and then choose the online option
2. Begin answering questions to create the documents instantly, according to your wishes and the laws of your state.
3. Review the documents to ensure your wishes are correctly stated.
4. Print the documents and review the instructions for notarization. You can find a notary at most banks or UPS stores.

The process is designed to work for most people, but if there are aspects of your estate that are more complicated, you might be directed to reach out to one of our network attorneys instead of using the online process.
