

#### **Disclosure of Non-Voter-Approved Debt**

In accordance with Education Code Section 17150 and following, the information below must be provided to the county superintendent of schools and the county auditor at least 30 days prior to a district's governing board's approval of an issuance of non-voter-approved debt. If in doubt about whether to submit this information, a district should submit it anyway and the county superintendent of schools will confirm what is required. This form can also be used to communicate information in connection with Education Code Section 42133. This form is designed to support a timely and easy disclosure so review can begin quickly to meet a district's timeline. Providing more information will reduce the questions and follow-up needed, allowing the county superintendent to determine whether repayment of the debt is probable. Please provide all information used to determine that the debt is affordable so that the county superintendent of schools can understand the decision-making process.

of Funda for Dabt	The 2021 Certificates of Participation The District expects to make payment				ls.

Indicate the planned sources of funds the district is expecting to receive to repay this debt obligation — e.g., state school building project apportionments, developer fees, general fund, etc. Provide revenue projections for these sources.

Risks and Risk Mitigation Strategies

The District expects to make payments on the 2021 Certificates of Participation from special tax revenues. In order to mitigate risk, the special tax revenues are expected to have an excess coverage ratio relative to the debt service payments. Please see Item 10 (attached) for more details.

Describe the risks the borrowing poses to the district's financial condition, the risks related to the ability to repay the debt, and strategies identified to mitigate these risks. Include attachments as appropriate.

#### Contingency Plan

The District expects to make payments on the 2021 Certificates of Participation from special tax revenues. However, the Lease Agreement stipulates that the District will make payments from any lawfully available source of funds. The underwriter of the 2021 Certificates of Participation also plans to purchase an insurance policy for the debt service payments due on the Certificates, and an insurance reserve policy to satisfy the reserve requirement for the Certificates.

Indicate the district's contingency plan if expected sources of repayment do not materialize as projected or if the final agreement costs are more than originally estimated

#### Other Information Attached, as Available

Please check all items addressed by attachments. Please note on the first page of each attachment which item the attachment addresses.

Expected repayment schedule
 Expected costs of issuance
 Expected annual administrative costs
 Contracts with public finance professionals (bond counsel, municipal advisor, broker/dealer/ underwriter)
 Presentations and advice provided by public finance professionals (board presentations, staff presentations, memoranda, disclosure forms, email communication, etc.)
 Proposed timeline for completing the borrowing
 District staff work evaluating proposed borrowing (budget worksheets, projections, memoranda, board reports, email, etc.)
 Proposed authorizing board resolution
 Proposed financing documents (loan, lease or trust agreement, preliminary official statement, etc.)
 Project information relevant to affordability (e.g., savings analysis, expected reimbursements, grants, etc.)
 Other information relevant to affordability
 2 Other documents (please list below):

Audit Reports for FYE 2018, 2019, and 2020 Adopted Budget for FYE 2022 Revised Adopted Budget for FYE 2022

understand why the district is recommending this financing.

Please note that no new documents need be created for the initial submission. The purpose of this submission is to share the district's analysis of the proposed borrowing.

Any Additional Comments Regarding the Affordability of the Financing

Ensure that you provide all information that district staff relied on to recommend this financing. This could include reports, presentations and correspondence not already requested. It is important to provide as much information as possible to help the county superintendent

Adopt 2021	-22 Propose	ed Budget of the Chula Vista Elementary School District
X	Action	Information

#### **BACKGROUND INFORMATION:**

Attached is an analysis of the Chula Vista Elementary School District's (District) Proposed Budget for fiscal year 2021-22, and the estimated year-end revenues and expenditures for 2020-21. With the May 14, 2021, release of the Governor's Revised Budget Proposal (May Revise), the District's 2021-22 Proposed Budget is based primarily on the Governor's May Revise. Listed below are the major education budget items included in the Governor's May Revise that are included in the District's 2021-22 Proposed Budget.

- Local Control Funding Formula (LCFF) \$3.2 billion was proposed to fund a 5.07 percent cost-of-living (COLA) adjustment to the 2021-22 LCFF funding for school districts and charter schools. This COLA is inclusive of the 2.31% 2020-21 unfunded COLA and the 2.7% estimated 2021-22 COLA which incorporates the proposed 1% COLA increase applicable to LCFF.
- Special Education The Governor's proposal also includes a \$300 million ongoing funding for Special Education Early Intervention Preschool Grant. The estimated per pupil rate for this funding is \$5,900, which equates to an estimated \$3.3M for the District and is included in the District's 2021-22 revenue projections as ongoing funding.

The Senate and Assembly must officially adopt the 2021-22 State Budget by June 15, 2021, and Governor Newsom has until June 30, 2021, to sign the final Budget. Due to the timing of the State Budget process, the District's 2021-22 Proposed Budget uses the May Revise assumptions. Once the 2021-22 State Budget is approved by Governor Newsom, any necessary adjustments will be made within 45 days after the State Budget is enacted.

The District's 2020-21 General Fund ending balance is projected to be \$58,402,239 and the Reserve for Economic Uncertainties (REU) is expected to be \$38,507,108, which is an increase in the REU of \$3,334,137 since the Second Interim Budget and represents a 12.3% REU. The District's 2021-22 General Fund

Page 1 of 13 Agenda Item 8.C. June 16, 2021 ending balance is expected to be \$41,784,062, and the REU is expected to be \$40,649,062, an increase in the REU of \$2,141,954 from 2020-21 and represents an 11.98% REU.

Average Daily Attendance (ADA) for 2021-22 is projected at 22,438. As a reminder, the 2020-21 ADA of 22,436 was based on the District's 2019-20 Second Principal (P2) attendance report filed by the District with the State on February 13, 2020. Due to the COVID-19 pandemic, the State allowed school districts to use a February 2020 P2 ADA date instead of the usual April 2020 date. Additionally, for 2021-22, the State is allowing school districts to use the greater of 2020-21 ADA or 2021-22 ADA. For fiscal year 2022-23, the District is reducing projected ADA by 809 due to the enrollment decline realized during the 2020-21 fiscal year. For the fiscal year 2023-24, the District will estimate no additional ADA change from 2022-23 ADA. ADA growth or decline is recognized after each State attendance reporting period and will be adjusted in future years as ADA is recognized.

A detailed analysis of major changes to revenues and expenditures for the General Fund Programs is provided on the following pages. All Other Funds of the District, including Charter Schools financial data are included starting on page 9 herein under "Other Funds Narrative" and on pages 7-19 on the Annual Financial and Budget Report. The budget information consists of four major sections on the Annual Financial and Budget Report.

	<u> Pages</u>
Summary of General Fund Programs	1
General Fund Unrestricted Programs	2 - 4
Restricted Programs	5 – 6
Other Funds	7 – 19
General Fund Cash Flow Projections	20 - 22

#### ADDITIONAL DATA:

Per Education Code 42127, commencing with budgets adopted for 2015-16, districts that propose budgets that include a combined assigned and unassigned ending balance in excess of the minimum recommended Reserve for Economic Uncertainties (REU) must provide the following information for public review and discussion:

- Minimum recommended REU.
- The combined assigned and unassigned ending balance that is in excess of the minimum REU.
- A statement of reasons that substantiates the need for an assigned and unassigned ending fund balance that is in excess of the minimum recommended REU.

District staff provided the required information at the May 19, 2021, public hearing.

#### FISCAL IMPACT/FUNDING SOURCE:

#### 2020-21 General Fund

#### **Unrestricted Revenues**

Revenues have increased by \$234,631 since the District's Second Interim Budget report (referenced on page 3 of the Summary of Unrestricted Revenues section). Following are the major changes affecting Unrestricted Revenues.

1. <u>LCFF</u> \$ <45,280>

The decrease is caused by prior year LCFF adjustments.

#### 2. Federal Revenues

\$ 250,000

The increase is caused by receipt of prior year Federal Impact Aid funding.

#### 3. Local Revenues

\$ 26.438

Increase in interest revenue of \$50,000 and equipment sales of \$21,500 accounted for the major increase in this category which was slightly offset due to a decrease in the Charter School chargebacks of <\$55,518>.

#### **Unrestricted Expenditures**

Unrestricted expenditures decreased by <\$4,338,707> from the 2020-21 Second Interim Budget to the 2020-21 Estimated Actuals Report. The primary reason for the expenditure decrease is the estimated <\$2.4 million> decrease in 2020-21 LCFF school site Local Control and Accountability Plan (LCAP) costs and School Site Control expenditures that are projected to be carried over and spent in the 2021-22 school year site budget. The decreases in 2020-21 expenditures are summarized below by the major objects of the most significant of these changes:

#### 1. Certificated Salaries

\$ <596,762>

The majority of the decrease is due to the <\$308,455> estimated decrease in LCFF LCAP site fund expenditures that are projected to be carried over to the 2021-22 school year. Additional causes of the decrease are due to a reduction of <\$110,812> caused by unfilled vacant positions, <\$60,686> replacement of psychologist positions at lower salary steps and a decrease of \$<30,000> in substitute costs.

#### 2. Classified Salaries

\$ <159,363>

The majority cause of the decrease is due to the decrease of <\$174,493> in substitute costs for various classified positions.

#### 3. Employee Benefits

\$ <422,861>

The decreased cost in employee benefits is directly related to the changes in Personnel costs.

#### 4. Books and Supplies

\$ <1,682,490>

The majority of the decrease is due to the <\$1,769,793> estimated decrease in LCFF LCAP site fund expenditures that are projected to be carried over to the 2021-22 school year and decrease of <\$158,683> in supplies. These decreases were slightly offset by an increase of \$285,303 in Educational Technology supplies due to a reclassification from Services and Operating Expenses category.

#### 5. Services and Other Operating Expenses

\$ <1,533,808>

The majority of the decrease in this category are due to a <\$770,000 reclassification of budgeted Dynamic After-School Hours (DASH) Program costs and <\$458,104 decrease in Student Behavior Support Program serving special education moderate-severe students to the restricted one-time Federal coronavirus stimulus funds. Additional causes of the decrease relate to a reduction of <\$285,303 in Educational Technology costs due to a reclassification to the Book and Supplies category and <\$171,092 estimated decrease in LCFF LCAP site fund expenditures that are projected to be carried over to the 2021-22 school year.

#### <u>Unrestricted Other Financing Sources and Uses Increase</u>

#### Contribution

\$<1,113,673>

The <\$1,113,673> decrease in contributions from the Unrestricted General Fund is primarily due to a decrease in the unrestricted contribution to the Restricted Special Education program from \$32,654,863 to \$31,541,190. The major causes of the decrease are due to a <\$422,822> decrease in classified and certificated substitute costs; a <\$284,574> certificated and classified staffing costs due to partial year vacant positions; a <\$126,319> reduction in cost to the Davila Day School for deaf or hard of hearing services; and <\$80,000> reduction in independent contractor costs for occupational therapy costs.

#### **Restricted Funds**

As part of the State and Federal governmental response to provide economic support to school districts during the COVID-19 pandemic, one-time restricted funding increased. The Federal and State one-time restricted funding provides funds for school districts to address the impact of COVID-19 on elementary and secondary schools for allowable costs incurred after March 13, 2020. The restricted one-time COVID-19 response funds will be recognized as revenues and expenditures for the 2020-21 and 2021-22 fiscal years in accordance with State and Federal guidelines and requirements and are noted in the Restricted Program section of the Annual Financial and Budget Report on pages 5 and 6.

During the First and Second Interim Budget reporting periods, Restricted General Fund program revenues and expenditures are budgeted as revenue and expense neutral, thus having no impact on the District's General Fund ending balance. At the 2020-21 Estimated Actuals, the District can better estimate whether certain Restricted Grant funds will not be fully spent in 2020-21 and estimate which Restricted funds will have carryover funds for the 2021-22 District Budget. Listed below are the largest of the \$16,557,257 of Restricted fund balances projected to be carried over to the 2021-22 school year.

<u>Federal</u>		
Medi-Cal Billing	\$ 290,02	23
<u>State</u>		
AB 86 Expanded Learning Opportunities Grant	\$14,776,6	88
Restricted Lottery	968,4	64
SB117 COVID-19 LEA Response Funds	369,42	20
Classified School Employee Professional Development	148,5	<u>71</u>

#### Fund Balance and Reserve for Economic Uncertainty (REU)

The total projected General Fund ending balance for 2020-21 is estimated at \$58,402,239. The 2020-21 REU is estimated at \$38,507,108 which provides a 12.3% reserve and meets the State's recommended minimum of 3% for the District.

Included in the ending balance are accounts for the following designated items.

\$16,263,143

#### 1. Nonspendable (Inventory/Revolving Cash)

\$ 835,000

Estimated cash value of \$700,000 in warehouse inventory at June 30, 2021, and \$135,000 in revolving cash fund for issuance of reimbursement checks or advances.

#### 2. Restricted Fund Balances

\$ 16,557,257

Represents restricted grants that will be carried over to the 2021-22 school year to be spent in accordance with Federal, State, and Local requirements. The largest restricted balance of \$14,776,688 is for the AB86 Expanded Learning Opportunities Grant, \$968,464 for Restricted Lottery, and \$369,420 for State COVID-19 Local Education Agency (LEA) Response Fund.

#### 3. <u>Unrestricted Assigned for Site Funds/School Gifts/Donations</u> \$ 2,502,874

This represents \$2,352,874 in LCFF LCAP Site funds and Site Control allocations projected to be carried over to 2021-22, and \$150,000 of school gifts/donations that can only be spent by schools.

#### 4. Reserve for Economic Uncertainties

\$ 38,507,108

#### 2021-22 General Fund

#### <u>Unrestricted Revenues</u>

Revenues are projected to increase by \$8,665,788 from 2020-21. Listed below are the major assumptions used in calculating the 2021-22 Proposed Budget Revenues.

1. <u>LCFF</u> \$ 9,707,404

The major cause of this increase is due to the 2021-22 LCFF COLA of 5.07% included in the Governor's May Revise and represents an increase from the 3.84% COLA included in the Governor Proposed budget in January. The increase is partially reduced by the 0.75% decrease in the 3-year average unduplicated pupil percentage factored in the LCFF calculation.

#### 2. Federal Revenues

\$ <1,187,036>

The receipt of prior year one-time Impact Aid Funding and Medi-Cal Administrative Activities (MAA) funds in 2020-21 accounted for the decrease in this category.

#### 3. Other State Revenues

\$ <82,457>

The majority cause of the decrease is due to the receipt of prior year one-time lottery funds in 2020-21.

#### 4. Local Revenues

\$ 227,877

The majority of the change in this category is due to the increase of \$416,962 in projected Charter Schools chargeback, increase in Transportation Services Study Trips of \$200,000, School Gift account funding of \$150,000, and Leases and Rentals of \$97,500. These were partially offset by the projected decrease in interest revenue of <\$222,338>, and K-12 Schools E-rate Program funding of <\$350,000>.

#### <u>Unrestricted Expenditures</u>

Unrestricted 2021-22 expenditures are projected to increase by \$10,351,504 from 2020-21. The following assumptions are used in the development of expenditures for 2021-22:

- For 2021-22, certificated salary costs are based on the actual step changes and projected class increases. Classified salaries are based on the actual step changes.
- 2. Pension rates:

CalSTRS: 16.92%CalPERS: 22.91%

- 2. As a condition of LCFF funding for the Grade Span Adjustment of 10.4% to the LCFF Base Grant, a maximum Kindergarten through Grade 3 (K-3) site average of 24 students is required. The District meets the K-3 ratio of 24:1.
- 3. Supplemental and Concentration Grants funding of \$26,369,502 is included in the Unrestricted expenditures.
- 4. A 5% increase for health insurance premiums beginning January 1, 2022, is factored into healthcare costs.
- 5. The required Routine Restricted Maintenance reserve is 3% of total expenditures.
- 6. Budget reductions of approximately \$2 million are included in the 2021-22 Budget.

#### <u>Unrestricted Other Financing Sources and Uses Increase</u>

Contributions \$ <544,743>

The change in this category is primarily due to the change in the 2021-22 Unrestricted General Fund contribution to Special Education by a decrease of <\$962,472>. The decrease was offset by the contribution increase of \$417,729 to the Routine Restricted Maintenance Account.

#### Fund Balance and Reserve for Economic Uncertainty

The total projected ending balance for 2021-22 is estimated at \$41,784,062. The REU is estimated at \$40,649,062, which is 11.98% and meets the State's recommended minimum of 3% for the District and is an increase of \$2,141,954 compared to the 2020-21 Estimated Actuals REU. In addition to the \$2 million budget reductions in 2021-22, the District multi-year projections include estimated budget reductions of \$3.5 million in 2022-23 and an additional \$3 million in budget reductions in the 2023-24 year. Also included in the ending balance are accounts for the following designated items:

#### 1. Nonspendable (Inventory/ Revolving Cash)

\$ 835,000

Estimated cash value of \$700,000 in warehouse inventory at June 30, 2022, and \$135,000 in revolving cash fund for issuance of reimbursement checks or advances.

#### 2. Unrestricted Assigned for School Gifts

\$ 300,000

This represents school gifts/donations that can only be spent by schools.

#### 3. Reserve for Economic Uncertainties

\$ 40,649,062

#### Multiyear Projections

The Board of Education must certify that the District will have the necessary resources to meet its financial obligations for the current year as well as two subsequent years. The estimated revenues, expenditures, and ending balances are summarized below.

		<u>2022-23</u>	<u>2023-24</u>
1.	ADA	21,629	21,629
2.	Revenues/Sources	\$296,613,295	\$303,297,347
3.	Expenditures/Uses	\$ <u>305,956,126</u>	\$ <u>310,174,855</u>
	Net Increase/ <decrease></decrease>	\$<9,342,831>	\$ <6,877,508>
4.	Beginning Balance	<u>\$ 41,784,062</u>	<u>\$ 32,441,231</u>
5.	Ending Balance	<u>\$ 32,441,231</u>	<u>\$ 25,563,733</u>
6.	Designations	<u>\$&lt;1,135,000&gt;</u>	<u>\$ &lt;1,135,000&gt;</u>
7.	Reserve for Economic Uncertainties	<u>\$ 31,306,231</u>	<u>\$ 24,428,723</u>
	REU Percentage	10.23%	7.88%
	Criteria and Standards Minimum Reserve (3%)	\$ 9,178,684	\$ 9,305,246

Listed below are some of the major assumptions in the Multiyear Projections for fiscal years 2022-23 and 2023-24.

• LCFF Cost of Living Adjustment (COLAs)

2022-23: 2.48%2023-24: 3.11%

- Average Daily Attendance (ADA) Estimates
  - o 2021-22: 22,438
  - o 2022-23: 21,629, an <809> ADA decline from 2021-22.
  - o 2023-24: 21,629. No change from 2022-23.
- Certificated salary cost increases are based on a 2.5% step and class increase, less fifteen retirees, while classified salaries are based on a 1.75% step increase.
- 5% increase in Health Care cost.
- Proposed Budget reductions
  - o 2021-22: \$2.0 million
  - o 2022-23: \$3.5 million
  - o 2023-24: \$3.0 million

After further analysis of the May Revise or the final State Budget, the assumptions may be changed.

#### Other Funds Narrative

This narrative describes significant changes that have occurred in the Other Funds between the 2020-21 Second Interim Budget and the 2020-21 Estimated Actuals Budget at year-end as well as between the 2020-21 Estimated Actuals Budget and the 2021-22 Proposed Budget. The attached pages detail these budgets by fund in order to provide an overall financial summary of District operations not conducted through the General Fund.

<u>Building Fund</u> – Revenue and expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Revenue and expenditure estimates for the 2021-22 Proposed Budget are not expected to materially change from the 2020-21 Estimated Actuals Budget.

Bond Building Fund (Measure VV) – Revenue estimates for the 2020-21 Estimated Actuals Budget are expected to increase by \$100,000 from the 2020-21 Second Interim Budget mainly due to increase in interest income. Expenditure estimates are expected to decrease by <\$872,415> mainly due to a decrease in projected construction costs for roof replacement projects. Revenue estimates for the 2021-22 Proposed Budget are expected to decrease by <\$300,000> from the 2020-21 Estimated Actuals Budget, as less interest is expected. Expenditure estimates are expected to decrease by <\$14,434,202> due to the completion of the summer 2020 modernization project during 2020-21 at Feaster Charter School and HVAC and roof replacement projects.

Bond Building Fund (Measure M) – Revenue estimates for the 2020-21 Estimated Actuals Budget are expected to increase by \$100,000 from the 2020-21 Second Interim Budget mainly due to increase in interest income. Expenditure estimates are not expected to materially change from the 2020-21 Second Interim Budget. Revenue estimates for 2021-22 Proposed Budget are expected to decrease by <\$50,460,581> from the 2020-21 Estimated Actuals Budget as no additional bond issuance is expected for Measure M in 2021-22. Expenditure estimates are expected to increase by \$36,304,949 mainly due to the cost related to the construction of the Districtwide Solar System and HVAC projects.

<u>Developers' Fee-Capital Improvement Fund</u> – Revenue and expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Revenue estimates for 2021-22 Proposed Budget are expected to decrease by <\$664,000> as developer fees are expected to decrease from those received in 2020-21. Expenditure estimates are expected to decrease by <\$1,390,369> due to the completion of projects in the 2020-21 school year.

<u>State School Facilities Fund-SB 50 Modernization</u> – Revenue and expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially

change from the 2020-21 Second Interim Budget. Revenue and expenditure estimates for the 2021-22 Proposed Budget are expected to decrease by <\$19,958,160> from the 2020-21 Estimated Actuals Budget as no state new school construction funding is expected in 2021-22.

<u>Pupil Transportation Equipment Fund</u> – Revenue and expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Revenue estimates for the 2021-22 Proposed Budget are expected to decrease by <\$3,298,270> from the 2020-21 Estimated Actuals Budget, as no additional electric bus grant programs are expected in 2021-22. Expenditures are expected to decrease by <\$3,305,490> mainly due to the purchase for 10 electric school buses, with electric bus grant funding, in 2020-21 which is not expected in 2021-22.

<u>Cafeteria Account</u> – Revenue projections for the 2020-21 Estimated Actuals are not expected to materially change from the 2020-21 Second Interim Budget. Expenditure estimated for the 2020-21 Estimated Actual Budget are expected to decrease by <\$293,794> primarily due to a decrease in food costs attributed to an increase in Federal subsidized food products and a decrease in food waste. Proposed 2021-22 revenues are expected to decrease by <\$2,655,000> as we project a transition from the fully reimbursed COVID-19 meal distribution program back a standard in-person meal distribution program. Expenditures are expected to increase by \$1,173,745 primarily due to increased food costs as we project a transition to a standard in-person meal distribution program.

Charter Schools Fund (Arroyo Vista Charter, Chula Vista Learning Community Charter [CVLCC], Discovery Charter, Mae L. Feaster Charter, and Robert L. Mueller Charter) - Revenue estimates for the 2020-21 Estimated Actuals are expected to increase by \$2,737,365 primarily due to the increase in State Revenue of \$2,232,549 attributed to the AB86 Expanded Learning Opportunities grant of \$2,013,587 and a \$646,672 LCFF revenue increase resulting from an increase in Mueller ADA. Expenditure for 2020-21 estimates are expected to decrease by <\$2,089,178> primarily due to a decrease in supplies and materials of <\$1,637,394> and a decrease in services and other operating expenses of <\$648,552>. Revenues estimates for the 2021-22 Proposed Budget are expected to increase by \$2.508.347 from the 2020-21 Estimated Actuals primarily due to the COLA increase in the LCFF funding formula resulting in projected increase of \$3,297,112 which was partially offset by a decrease in Federal revenues of <\$1,162,088>. 2021-22 expenditures estimates are expected to increase by \$11,097,932 primarily due to increases in personnel costs of \$6,577,000, increase in supplies and materials of \$4,480,092, increase in services and other operating expenses of \$857,357 and an increase in the chargeback costs of \$436,685. These increases were partially offset by a decrease in sites, buildings, and equipment costs of <\$1,253,327>.

Child Development Fund – Revenue estimates for the 2020-21 Estimated Actuals Budget are expected to increase by \$293,264 from the 2020-21 Second Interim Budget mainly due to the receipt of AB82 one-time stipend which will be used for allowable expenses to address COVID-19 cost and must be expended by June 30, 2022. Expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Revenue estimates for the 2021-22 Proposed Budget are expected to decrease by <183,466> from 2020-21 Estimated Actuals Budget as no additional one-time stipend is anticipated. Expenditure estimates for the 2021-22 Proposed Budget are expected to increase by \$508,904 from the 2020-21 Estimated Actuals Budget primarily due to increase in salaries, benefits and supplies costs.

Student Activity Special Revenue Fund - In January 2017, the Governmental Accounting Standards Board (GASB) issued Statement No. 84 (GASB 84), Fiduciary Activities, which establishes criteria for identifying and reporting fiduciary activities for all state and local government. GASB 84 identifies that Associated Student Body (ASB) activities as non-fiduciary and should be reported in the District's governmental fund beginning in SY 2020-21. The Student Activity Special Revenue Fund accounts for the transactions associated with student fundraising activities and the expending of those funds to promote the general welfare, morale, and educational experiences of the student body. The Student Activity funds were previously accounted for in a special trust fund. The estimated 2021-22 ending balance is projected at \$115,427.

<u>Self-Insurance Fund</u> - Revenue estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Expenditure estimates for the 2020-21 Estimated Actuals Budget are expected to decrease by <\$403,473> mainly due to decrease in employee workers' compensation claims. Revenue estimates for the 2021-22 Proposed are not expected to materially change from the 2020-21 Estimated Actuals. Expenditure estimates are expected to increase by \$842,000 mainly to anticipated increase in employee workers' compensation claims.

Community Facilities District Capital Projects Fund – Revenues estimates for the 2020-21 Estimated Actuals Budget are expected to increase by \$695,710 from the 2020-21 Second Interim Budget primarily due to increase in special tax prepayment and special tax collections. Expenditure estimates are not expected to materially change from the 2020-21 Second Interim Budget. Revenue estimates for the 2021-22 Proposed Budget are expected to decrease by <\$22,341,464> from the 2020-21 Estimated Actuals Budget primarily due to no new state school construction funding expected in 2021-22 and no special tax prepayment is anticipated. Expenditure estimates for 2021-22 are expected to increase by \$16,630,602 from the Estimated Actuals Budget mainly due to construction costs associated with construction of school 47 at the Otay Ranch Village 3 site and the projected purchase of a school site in the Otay Ranch Village 2 development area.

<u>Community Facilities District Debt Service Fund</u> – Revenue and expenditure estimates for the 2020-21 Estimated Actuals Budget are not expected to materially change from the 2020-21 Second Interim Budget. Revenue and expenditure estimates for the 2021-22 Proposed Budget are expected to increase by \$388,016 from the 2020-21 Estimated Actuals Budget due to increase in debt service payments with the issuance of the 2020 Certificates of Participation. The Debt Service funds are transferred in from the Community Facilities District Capital Projects Fund.

#### **STAFF RECOMMENDATION:**

Recommend adoption.

#### Building Fund (21-09)

The Building Fund is used to account for capital facilities projects not funded by Community Facilities District (CFD) proceeds or General Obigation Bond funds. In 2013-14, the District sold Certificates of Participation (COP) to acquire and install classrooms at CVLCC for Grades 9-12 at Silver Wing and to acquire and install classrooms at Feaster Charter for Grades 7 and 8. Both charter schools will make transfers to this fund to cover the COP debt service payments.

#### Bond Building Fund - Measure VV (21-33)

In November 2018, local voters approved Measure VV, a \$150 million general obligation bond to provide funds to renovate and modernize facilities and improve technology at the District's oldest schools. Education Code Section 15146 requires the District to establish a restricted bond building fund for the purposes of receiving, holding, investing, and disbursing funds for construction projects. In August 2019, the District issued a Bond Anticipation Note (BAN) for \$60 million which will be payable from proceeds of the sale of bonds pursuant to the authorization. Proceeds from the Bond Anticipation Note were deposited into the Bond Building Fund (21-33) was used to partially fund the summer 2019 modernization of Sunnyside, install lighting retrofit at 25 school sites and fund the summer 2020 Feaster Charter modernization. The funds will also be used for other District modernization projects such as heating ventilation and airconditioning and roofing replacement at various sites.

#### **Bond Building Fund - Measure M (21-37)**

On March 3, 2020, local voters approved Measure M, a \$300 million general obligation bond to provide funds to renovate and modernize facilities and improve technology at the District's oldest schools. Education Code Section 15146 requires the District to establish a restricted bond building fund for the purposes of receiving, holding, investing, and disbursing funds for construction projects. In August 2020, \$50,000,000 in Series A bonds was sold to finance the District Solar Power Project and other District modernization projects.

#### **Developers' Fees - Capital Improvement Fund (25-18)**

The Capital Improvement Fund is used primarily to account for developer fees which are used to mitigate increased classroom requirements brought on by new housing developments. In addition, the District receives redevelopment funds that are used for improvements of schools that benefit the redevelopment area. In August 2019, the District was awarded \$3,877,270 from the California Energy Commission's School Bus Replacement Program grant. \$600,000 of the grant will be used to install charging stations at Maxwell Transporation Yard for the electric buses that have been purchased with the grant funds.

#### State School Facilities Fund-SB 50 Modernization/New Construction (35-00)

The State School Facilities Fund was opened in May 1999 in order to separately account for all revenues and expenditures under the Leroy F. Greene Facilities Act of 1988 (SB 50), which established a new state program for school facilities construction and modernization. In January 2021, the District received \$19.9M from the State School Facilities Program as partial reimbursement of the Saburo Muraoka Elementary construction cost and the funds were transferred to the CFD Capital Projects fund 49-00.

#### **Pupil Transportation Equipment Fund (15-00)**

In May 2000, the Pupil Transportation Equipment Fund was established to budget for the replacement of school buses and the purchase of buses needed to accommodate growth in the District. It is the intention that this fund receive revenue transfers from the General Fund so that sufficient funds are available as the need arises for new bus purchases. No transfers were made from 2008-09 through 2012-13. The District transferred \$220,000 to purchase three mid-size buses in 2013-14. In 2014-15, \$400,000 was transferred to purchase two mid-size buses. In 2015-16, \$400,000 was transferred to purchase three 84-passenger buses and one mid-size wheelchair capable bus. In 2017-18, \$400,000 was transferred to purchase one mid-size wheelchair capable bus and two small wheelchair capable buses. No transfer was made during 2018-19 through 2019-20. In August 2019, the District was awarded \$3,877,270 from the California Energy Commission's School Bus Replacement Program grant. \$3.2M of the grant will be used for the purchase of ten (10) 60-passenger wheelchair capable electric buses. As of February 2021, all 10 electric buses have been received by the District. No transfer is planned for 2021-22.

<sup>\*</sup>Approved by the Board of Education August 12, 2020

#### **Child Development Fund (12-06)**

The Child Development program includes the State Preschool classrooms located at Cook, Finney, Harborside, Juarez-Lincoln, Kellogg, Lauderbach, Loma Verde, Montgomery, Mueller Charter, Olympic View, Otay, Rice, Rogers, Rohr, Valle Lindo, and Vista Square. Cook, Lauderbach and Vista Square has two classrooms and the other sites have single classrooms. The sites run both a morning and afternoon session. In FY 2021-22, there will be 38 state preschool sessions with slots available for 888 students, ages 3-5. On February 23, 2021, Governor Newsom signed Assembly Bill (AB) 82, which provides a flat-rate one-time stipend amount of \$525 per child enrolled in a State Preschool program under the Coronavirus Response and Relief Supplemental Appropriations Act of 2021. Stipend funds may be used for any allowable expense that would be reimbursable under a contractor's existing child development contract to address COVID-19 costs or to ensure the programs are able to remain open or reopen and must be expended by June 30, 2022.

#### Charter Schools Fund (09-00)

The District has five charter schools that are dependent direct-funded from the state and are accounted for in the Charter Schools Fund. The five charter schools are Arroyo Vista, Chula Vista Learning Community, Discovery, Feaster, and Mueller. Leonardo da Vinci Health Sciences Charter School was authorized by the District in April 2009 and began operating in 2009-10. Howard Gardner Community Charter School was authorized by the District in February 2011 and began operating in 2012-13. The Learning Choice Academy-Chula Vista was authorized by the District in May 2018 and began operating in 2018-19. Leonardo da Vinci Health Sciences Charter School, Howard Gardner Community Charter School and The Learning Choice Academy-Chula Vista are non-profit public benefit corporations and are not included in the Charter Schools Fund.

### Student Activity Special Revenue Fund (08-00)

In January 2017, the Governmental Accounting Standards Board (GASB) issued Statement No. 84 (GASB 84), Fiduciary Activities, which establishes criteria for identifying and reporting fiduciary activities for all state and local government. GASB 84 identifies that Associated Student Body (ASB) activities as non-fiduciary and should be reported in the District's governmental fund beginning in SY 2020-21. The Student Activity Special Revenue Fund accounts for the transactions associated with student fundraising activities and the expending of those funds to promote the general welfare, morale, and educational experiences of the student body. The Student Activity funds were previously accounted for is a special trust fund.

### Self Insurance Fund (67-00)

The Worker's Compensation Insurance Fund (Fund 67-30) is used to pay employee workers' compensation claims that are a result of injuries suffered while working. The District is self-insured for workers' compensation. The District pays a rate per \$100 of each employee's salary as premiums. For FY 2013-14 through 2016-17 the rate was \$2.00 per \$100 and \$1.50 per \$100 for 2017-18 through 2019-20. For FY 2020-21 and 2021-22, the rate is \$1.00 per \$100.

### **Community Facilities District Capital Projects Fund (49-00)**

The Community Facilities District (CFD) Capital Projects Fund 49-00 was established to record all CFD special tax deposits. CFDs are primarily used to fund new school construction and expansion. The CFD Capital Projects Fund contains CFD Nos. 1 through 6, 10 through 15 and 17 through 20. Funds for debt service payments will be transferred to the CFD Debt Service Fund (52-00). Construction was completed for a two-story relocatable classroom building at Saburo Muraoka Elementary School which provides eight additional classrooms at the site. In February 2020, a \$25,000,000 COP was issued to partially fund the construction of School No. 47 which is scheduled to begin construction in March 2021. In January 2021, \$19.9M was transferred from the State School Facilities Program as as partial reimbursement of the Saburo Muraoka Elementary construction cost.

## CHULA VISTA ELEMENTARY SCHOOL DISTRICT

### **GOVERNING BOARD AGENDA ITEM**

Prepared by: Business Services and Support

### **ITEM TITLE:**

- (1) Review of the 2021-22 State Budget; and
- (2) Approve Revisions to the 2021-22 District Adopted Budget

X	Action	Information

### **BACKGROUND INFORMATION:**

On June 28, 2021, Governor Newsom signed into law the 2021-22 State Budget (Budget Act). Education Code Section 42127(h) requires that school districts make available any budget revisions within 45 days after the Governor signs the annual Budget Act. The District is proposing a revised 2021-22 District Budget based on the Budget Act and will submit it to the San Diego County Office of Education.

### **ADDITIONAL DATA:**

Attached are various District reports with revised 2021-22 budgets as of August 11, 2021.

Attachment I – General Fund (Unrestricted and Restricted) Summary of Revenues, Expenditures, and Changes in Fund Balance.

General Fund Unrestricted Programs Summary of Revenues, Expenditures, and Changes in Fund Balance.

General Fund Unrestricted Revenues.

General Fund Unrestricted Expenditures by Object Code

Attachment II – General Fund Restricted Programs

### FISCAL IMPACT/FUNDING SOURCE:

The major changes in the Budget Act that will have a direct impact on District Revenue and Expenditures are noted below.

- The Budget Act includes an increase in the concentration grant component of the Local Control Funding Formula (LCFF) from 50% to 65% of the adjusted base LCFF grant, per Education code section 422238.02.
- The Special Education Local Plan Area (SELPA) funding formula base rate for 2021-22 increased from \$634 per ADA to a base rate of \$715 per ADA.
- The School Employees Fund/State Unemployment Insurance 2021-22 employer contribution rate decreased from 1.23% to 0.50%.

The Budget Act also included the following one-time restricted funding sources. As additional information is provided regarding the fiscal impact, the District will include the information in the District's 2021-22 First Interim Budget Report in December 2021.

- California for all Kids (Pre-K Planning and Implementation)
- Educator Effectiveness Block Grant
- Educator Preparation, Retention and Training
- Expanded Learning Opportunities Program
- Special Education Dispute Resolution and Learning Recovery

Multi-year Projection Average Daily Attendance (ADA) Changes.

Although there is no change to the District's budgeted ADA for the 2021-22
Revised Budget, the District's ADA projections for the 2022-23 and 2023-24
fiscal years will be reduced by approximately <500> ADA to realize the impact
of the enrollment decline during the start of school on July 21, 2021. Listed
below is a chart showing the projected decline in ADA projections.

Funded ADA	Adopted Budget	Revise Budget	Change		
2021-22	22,438	22,438	0		
2022-23	21,629	21,129	(500)		
2023-24	21,629	21,129	(500)		

• As a reminder, the District ADA decreased by <1,051> between the 2019-20 and 2020-21 school years bringing the total estimated decline to <1,562> between 2019-20 and projected 2021-22.

### STAFF RECOMMENDATION:

Recommend approval and certification.

## CHULA VISTA ELEMENTARY SCHOOL DISTRICT

### **GOVERNING BOARD AGENDA ITEM**

Prepared by: Business Services and Support

### **ITEM TITLE:**

- (1) Review of the 2021-22 State Budget; and
- (2) Approve Revisions to the 2021-22 District Adopted Budget

X	Action	Information

### **BACKGROUND INFORMATION:**

On June 28, 2021, Governor Newsom signed into law the 2021-22 State Budget (Budget Act). Education Code Section 42127(h) requires that school districts make available any budget revisions within 45 days after the Governor signs the annual Budget Act. The District is proposing a revised 2021-22 District Budget based on the Budget Act and will submit it to the San Diego County Office of Education.

### **ADDITIONAL DATA:**

Attached are various District reports with revised 2021-22 budgets as of August 11, 2021.

Attachment I – General Fund (Unrestricted and Restricted) Summary of Revenues, Expenditures, and Changes in Fund Balance.

General Fund Unrestricted Programs Summary of Revenues, Expenditures, and Changes in Fund Balance.

General Fund Unrestricted Revenues.

General Fund Unrestricted Expenditures by Object Code

Attachment II – General Fund Restricted Programs

### FISCAL IMPACT/FUNDING SOURCE:

The major changes in the Budget Act that will have a direct impact on District Revenue and Expenditures are noted below.

- The Budget Act includes an increase in the concentration grant component of the Local Control Funding Formula (LCFF) from 50% to 65% of the adjusted base LCFF grant, per Education code section 422238.02.
- The Special Education Local Plan Area (SELPA) funding formula base rate for 2021-22 increased from \$634 per ADA to a base rate of \$715 per ADA.
- The School Employees Fund/State Unemployment Insurance 2021-22 employer contribution rate decreased from 1.23% to 0.50%.

The Budget Act also included the following one-time restricted funding sources. As additional information is provided regarding the fiscal impact, the District will include the information in the District's 2021-22 First Interim Budget Report in December 2021.

- California for all Kids (Pre-K Planning and Implementation)
- Educator Effectiveness Block Grant
- Educator Preparation, Retention and Training
- Expanded Learning Opportunities Program
- Special Education Dispute Resolution and Learning Recovery

Multi-year Projection Average Daily Attendance (ADA) Changes.

Although there is no change to the District's budgeted ADA for the 2021-22
Revised Budget, the District's ADA projections for the 2022-23 and 2023-24
fiscal years will be reduced by approximately <500> ADA to realize the impact
of the enrollment decline during the start of school on July 21, 2021. Listed
below is a chart showing the projected decline in ADA projections.

Funded ADA	Adopted Budget	Revise Budget	Change
2021-22	22,438	22,438	0
2022-23	21,629	21,129	(500)
2023-24	21,629	21,129	(500)

• As a reminder, the District ADA decreased by <1,051> between the 2019-20 and 2020-21 school years bringing the total estimated decline to <1,562> between 2019-20 and projected 2021-22.

### STAFF RECOMMENDATION:

Recommend approval and certification.

# Total General Fund Summary of Revenues, Expenditures, and Changes in Fund Balance
