Getting Started with the Home Edition

With the Home Edition, you can encourage reading and writing at home or on the go! Here's how you can get started and be a part of what your child is doing at school.
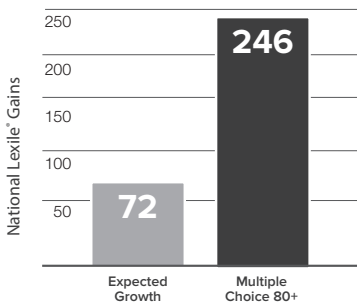

Set Up Your Home Edition Account

Your child's teacher will send you a letter with your child's username and password, and a security code.

1. Go to **portal.achieve3000.com** and sign in with your child's username and password.

2. Click the arrow next to your child's name at the top of the screen, then click Create Parent Login.

3. Enter the security code and answer a few questions.

4. The system will display your username and password.

5. Record your login information.

6. Log out of your child's account, then log back in using your new credentials at **portal.achieve3000.com** to start using the Home Edition.

Using the Home Edition

Use the Home Edition to get engaged in your child's learning. With only a few clicks, you can access the tools you need to support and monitor your child's progress with Achieve3000.*

Click **My Lessons** to view the lessons your child is working on.

Click **Lexile** to view lessons at various reading levels.

Click here to see **Lesson Progress,** Activities, Thought Questions, and more.
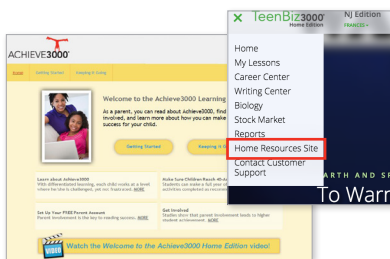

Click to change the **Language** setting.

Click **Mailbox** for easy access to weekly reports on your child's program usage and performance scores.

Click **Search** to find additional Achieve3000 content your child might be interested in; searchable by keyword or category.

*Please note, if your child is using KidBiz3000 your Home Edition will look different. You will still be able to access My Lessons though at the top of your homepage.
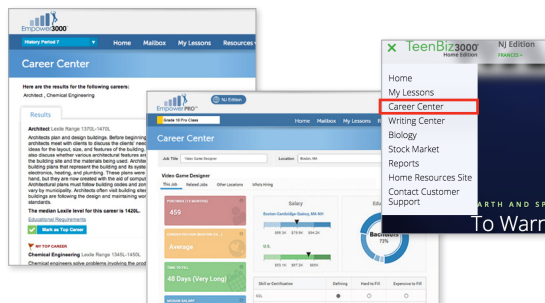

Additional Resources for Using Achieve3000 at Home

The Home Resources Site includes even more parent resources to help your child get the right start with Achieve3000—and to keep the momentum going. **Available in 23 languages.**

Keeping Your Child Motivated

In Achieve3000's exclusive **Career Center**, your child can select his or her dream job, find the required reading level (also known as a Lexile® score) for that career, and stay encouraged to work toward that goal.
Plus, high school students can now directly access information on today's top job trends by region—provided by Burning Glass®.
