

All Personnel

UNIVERSAL PRECAUTIONS

Universal precautions shall be observed throughout the District to protect employees, students, and any other persons in the school environment from contact with potentially infectious blood or other body fluids.

Universal precautions are appropriate for preventing the spread of all infectious diseases and shall be used regardless of whether bloodborne pathogens are known to be present.

(cf. 4057 – Employee Safety)
(cf. 5141.1 – Emergency Medical Treatment)
(cf. 5141.22 – Infectious Diseases)
(cf. 5141.23 – Infectious Disease Prevention)
(cf. 5141.24 – Specialized Health Care Services)

Employees shall immediately report any exposure incident or first aid incident in accordance with the District's exposure control plan or other safety procedures.
