REPORTING TO PARENTS/GUARDIANS

The Governing Board believes that good communication between parent/guardian and teacher is important in the educational process. Reporting contacts between parent/guardian and teacher should be varied and frequent, and all appropriate forms of communication should be used, including parent-teacher conferences, mail, telephone, and school visitation by parents/guardians.

Student progress reports shall reflect the educational progress of the student in terms of classwork and the attainment of proficiency levels. The report shall also indicate educational growth in relation to the student's ability, attitude, interests, and conduct or citizenship.
