

New Construction

RELATIONS WITH OTHER GOVERNMENTAL UNITS

The District will cooperate with city, county, state and federal agencies to provide the best possible school facilities and obtain the greatest efficiency and economy in the use of funds expended for school construction.

In matters relating to the selection and acquisition of school sites and in the construction of school buildings, structures, or additions thereto, the school district will coordinate with other county and municipal bodies such as planning and zoning commissions, the police, fire, health and welfare departments and other relevant bodies.

Procedures shall be maintained to ensure the exchange of accurate information between the surrounding districts and these agencies regarding the impact of development on the district's educational programs and facility needs.
