

Bylaws of the Board

**BOARD REPRESENTATIVES**

The Governing Board may appoint any of its members to serve as its representatives on District committees or advisory committees of other public agencies or organizations. Due to open meeting law requirements, a majority of the Board shall not be appointed to serve on the same committee. When making such appointments, the Board shall clearly specify, on a case-by-case basis, what authority and responsibilities are involved. Board representatives shall not grant District support or endorsement for any activity without prior Board approval.

If a committee discusses a topic on which the Board has taken a position, the Board member may express that position as a representative of the Board. When contributing individual ideas or opinions on other topics, he/she shall make it clear that he/she is speaking as an individual, not on behalf of the Board.
