**POLICY MANUAL**

The Superintendent or designee shall maintain a District policy manual for the purpose of communicating to all interested parties the policies and regulations within which District schools will operate. The manual will be maintained in the Superintendent's Office. The Board of Education encourages members of the public to acquaint themselves with the District's policies and regulations.

The Superintendent or designee shall ensure that the community and all District employees have access to District policies. These documents can be accessed and printed from the District's web page at [www.cvesd.org](http://www.cvesd.org) under School Board and Policies. Printed copies of policies can be requested from the Superintendent's Office.

The Superintendent or designee shall establish procedures for updating the District's web page with new or revised policies, bylaws, and regulations as they are adopted. The Superintendent or designee shall have the web page reviewed on a regular basis to ensure that it is up-to-date and complete.
